***New Brunswick
Aboriginal Peoples
Council Equity Fund***

***Serving the Entrepreneurial
Needs of the Off Reserve
Aboriginal Community in New
Brunswick and PEI***

Introduction

The Fund's new structure will strive to seek members of the NBAPC/NCPEI looking to start a new business or start a project of a current business through providing loans and equity financing.

We look forward to building sustainable business and economic development for our people in an off-reserve setting.

Process

Eligible members:

- **Must reside in New Brunswick and/or PEI, off reserve**
- **Must have new or existing business in New Brunswick and/or PEI, off-reserve**
- **18 years old or older**
- **Priority given to NBAPC/NCPEI members**

Potential clients will have to independently submit their business and/or project plan to NBAPC Equity Fund. From there, our Board will review the plan.

Upon approval, a conditional loan or equity financing for your business or project can be administered.

Let's get the ball rolling!

Who to contact

For more information
